Since the Hill Country Christmas Bureau cares for children and families in North and Northwest Austin, Cedar Park, Leander, and within the Leander I.S.D. boundaries, we ask that you please consider the proximity of the need and help those in our community.

Give right here in this community rather than sending your donation away – give where you can see it positively affect those around you.

The stories we've been told are heart wrenching and so difficult to hear, especially during the holidays.

Giving a child a toy, a child who finds themselves in the midst of chaos and defeat, gives them something to cling to – something to hold onto until better times come.

The Hill County Christmas Bureau also tries to help the elderly in our community as well by providing some forms of assistance, such as blankets, toiletries, or simply food to eat.

In many instances, the elderly need warmth, in the form of space-heaters, blankets, socks, and shoes. Receiving these basic necessities provides some hope to this age group.

We need this assistance from individuals, families, businesses, corporations, churches, and service groups to reach out and help these members of our community.

Any assistance you could provide would be greatly appreciated, not only by us, but greatly appreciated by those you help.

The Hill Country Christmas Bureau has been in operation for over thirty years as a non-profit, 501(c)(3) charitable organization. We are registered as tax exempt with the Internal Revenue Service.

People just like you serve by doing a little more to help others during the holiday season.

We need whatever you can contribute to provide for those people in our community who are going through a hard time.

Our annual goal is to provide gifts for those who do not have much hope for very merry holidays. We try and give each family some needed toiletries, and if possible, two or three new toy items for each child from "Santa."

We also take this opportunity to remember the elderly at this time with appropriate and needed items.

Depending on the level of donations, we also try to provide each family with some food, new blankets and a space heater, because even in Texas, it can get cold enough to cause or prolong illness in the young and old.

May we count on your support?

ADD US TO YOUR HOLIDAY PLANS

Make your plans and help us offer dignity and hope to families in the community who silently suffer. Trust that your contributions will be used to foster health and stability to many in need this year.

ADOPT A FAMILY

Each year, there are many members of our community who wish to provide a complete Christmas for an individual family.

What does it take to adopt a family?

- Two weeks of groceries
- Some basic toiletries
- 3 or 4 new toys for each child 12 and under
- A new blanket and small heater if needed

VOLUNTEER

It only takes a little - a little time, much less time than you might think. A little time, a little thought, a little money, to bring joy to those around you who may not otherwise have joy during the holidays. If each of us does whatever we can to share our blessings, hundreds of others will have a happier holiday. Please take part in bringing joy to others. To volunteer or help in another way, please visit the website to comment or call the number listed. We will gladly call you back.
