

Become a Leander Library Foundation Volunteer!

The Leander Library Foundation, a non-profit organization dedicated to supporting the Leander Public Library by providing assistance for enhanced resources and programs, operates a used bookstore. The store is run by volunteers and all profits from sales go to purchase materials and fund programs for the Leander Public Library.

Volunteer duties will include sorting and stocking books, assisting customers, and handling money transactions for the sale of books or other merchandise. Other duties may be assigned as needed. Training will be scheduled as needed. Hours of operation will be determined by the volunteers and Library Foundation Board, and Volunteers should be able to commit to working two or more hours per week, depending on their availability.
