As prescribed by state statute, this application may be utilized to amend existing platted lots without vacation of the preceding plat, without a public hearing and without approval of other lot owners within the platted subdivision if it is utilized solely for one or more of the following purposes (check one or more as applicable):**

- To correct an error in courses and distances of lot lines between two adjacent lots if:
  1. Both lot owners join in the application for amending the plat,
  2. Neither lot is abolished,
  3. The amendment does not attempt to remove recorded covenants or restrictions, and
  4. The amendment does not have a material adverse effect on the property rights of the other owners in the plat.
- To relocate a lot line to eliminate an inadvertent encroachment of a building or other improvement on a lot line or easement.
- To relocate one or more lot lines between one or more adjacent lots if:
  1. The owners of all those lots join in the application for amending the plat,
  2. The amendment does not attempt to remove recorded covenants or restrictions, and
  3. The amendment does not increase the number of lots.
- To make necessary changes to the preceding plat to create six or fewer lots in the subdivision or a part of the subdivision covered by the preceding plat if:
  1. The changes do not affect applicable zoning and other regulations of the City,
  2. The changes do not attempt to amend or remove any covenants or restrictions, and
  3. The area covered by the changes is located in an area that the City has approved, after a public hearing, as a residential improvement area, or
- To replat one or more lots fronting on an existing street if:
  1. The owners of all those lots join in the application for amending the plat,
  2. The amendment does not attempt to remove recorded covenants or restrictions,
