AGENDA ITEM # 7

Executive Summary

September 5, 2013

Council Agenda Subject: Receive Quarterly Investment Report for the Period ending 6/30/13.

Background: State law requires that the governing body be presented with a quarterly report outlining the City's investments. The period covered in this report is April through June 2013. The quarterly average interest rates in TexPool for the quarter continued to drop, down from 0.0989% in March to 0.0771% in June. As of 6/30/13, our earnings credit rate at our depository bank (Bank of America) remained at 0.25%. At the end of June, we do not have any investments in U.S. Agencies, but we do have a $245,000 1-year CD with Texas Capital Bank that was renewed in October at 0.25% and a $1,000,000 1-year CD with Unity National Bank through the CDARS program at 0.40%. At 6/30/13, the Fed funds target rate remained within the zero to 0.25% range, and quarterly averages for the 3-month T-bill decreased from the previous quarter (which ended March 2013) to 0.05%, and the 6-month T-bill average dropped to 0.09% (down from 0.09% and 0.11%, respectively.)

Robert G. Powers
Finance Director
City of Leander, TX

Dear Mr. Powers:

The support to Meals on Wheels provided by the City of Leander has been essential to our program. This year, for the first time, we have had to institute a waiting list for service. Sequestration, higher meal costs and less income have all added to the reason for the wait list.

Over the past 12 months we have served a total of 27,218 meals out of the Bagdad Senior Center. Over 90 of our clients are from Leander. Five Leander seniors are waiting for service.

The funds we have received from the City are used for food for senior meals. $5,000 will pay for 770 meals for those currently on our roles. We deliver 260 meals a year to each of our Meals on Wheels clients.

Through your recent visit with some of our clients, you have seen the need. With the advent of new senior residences in Leander, the number of those seniors who qualify for services is bound to increase. We hope we will be able to keep up. Including us in Leander's city budget will certainly help. Thanks again for caring for thos who no longer able to do for themselves.

Sincerely,

Paula Goodson

STATE OF TEXAS §

FUNDING AGREEMENT

This **INTERLOCAL COOPERATION AGREEMENT** ("Agreement") is executed by and between **WILLIAMSON-BURNET COUNTY OPPORTUNITIES, INC.**, P.O. Box 740, Georgetown, TX 78627, hereinafter referred to as "WBCO", and the **CITY OF LEANDER**, Texas, a home rule municipal corporation organized under the laws of the State of Texas, hereinafter referred to as the " City", P.O. Box 319, Leander, Texas 78646, acting by and through their duly authorized representatives.

WHEREAS, the City of Leander is a local government as defined in 791.003 of the Texas Government Code, and

WHEREAS, WBCO is a Texas non-profit corporation that provides the services described herein to the Leander community, and

WHEREAS, both WBCO and the City desire to enter into this Agreement to provide for the use of funds granted by the City for the benefit of the Leander community;

NOW, THEREFORE, for and in consideration of the covenants, conditions and undertakings hereinafter described, and the benefits to accrue to the citizens of the City, the parties contract, covenant and agree to provide certain governmental services and functions as follows:

Section 1. Assistance. The City of Leander will provide assistance to the WBCO to be used for the Meals-On-Wheels Program located at 351 N. Bagdad Rd, Leander, Texas, 78641, for services to the Leander community, including but not limited to providing meals to participants aged 60 and older, or disabled persons, in an amount not to exceed $5,000 (the "Grant") for the term of this Agreement.

Section 2. Conflict of Interests. WBCO covenants and agrees that it presently has no interest and will not acquire, direct or indirect, an interest, which conflicts with its efficient, diligent faithful performance of the terms of this contract and agreement. This agreement shall not be assigned or transferred by WBCO without prior written consent of the City.

Section 3. Agreement Period. This Agreement shall commence on October 1, 2013, and shall continue in effect until September 30, 2014 unless terminated in writing by the City or the WBCO by giving thirty days notice of termination to the other party. In the event of early termination by WBCO, the WBCO shall repay the City a pro-rata share of the Grant, pro-rated over the one-year term of this Agreement. Terms governing repayment of the Grant shall survive the term of this Agreement until fulfilled.

Section 4. Reporting. The WBCO will provide the city with an annual report on the use of the funds or credit allocated to them by September 1 of each year, which funds shall be used for the Meals-On-Wheels program located at 351 N. Bagdad Rd., Leander, Texas 78641. The report shall include the number of City of Leander citizens who have benefited directly from the donation as well as a general statement of the use of the funds.

Section 5. Repayment of Funds. WBCO shall repay the City the Grant, less any reductions as provided in this subsection, within ten (10) days of notice by the City in the event that WBCO fails to use the Grant as provide in this Agreement. For each quarter that WBCO uses the Grant as provided in this Agreement, WBCO's obligation to repay the Grant shall be reduced by $1,250.00.

Section 6. Amendments and Modifications. This Agreement may not be amended or modified except in writing executed by the City and the WBCO and authorized by both parties.

Section 7. Captions. The descriptive captions of this Agreement are for informational purposes only and shall in no way limit or effect the terms or conditions of the paragraphs.

Section 8. Severability. The sections, paragraphs, clauses and phrases of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of the Agreement should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, or paragraphs, and sections of this Agreement.

IN WITNESS WHERE OF, the parties hereto have executed this Agreement by their duly authorized agents and officers.

SIGNED AND APPROVED this the ____ day of September, 2013.

RE: FY 2014 Budget Submission

Dear Chief Minton,

In preparation for your FY 2014 budget submission, we offer you a brief summary of the past year's history as it relates to the City of Leander.

As part of our service to you, we are constantly analyzing and refining programs to better meet your needs. We continue to provide Forensic Interviews, Child & Family Therapy, and medical exams for our young clients.

In addition to these direct services, our Outreach Coordinator goes into the community to provide training to equip school officials and first responders to better recognize the warning signs of child abuse and to be pro-active in their reporting to authorities.

Statistics: The following statistics reflect countywide use of our services to child abuse victims, as well as Leander-specific use, based upon victim residence.

Year	FY 2005	FY 2006	FY 2007	FY 2008	FY 2009	FY 2010	FY 2011	FY 2012
From Leander zip codes	23	47	69	79	51	49	46	52
Total Interviews	351	510	634	650	648	651	503	553

Request: $30,000 FY 2014: The budget request is the same as last year's and is within the range ($15,000 to $30,000) requested from all major cities in the county.

We enjoy our partnership with your department; we especially appreciate the participation of Sergeant Jones, Lieutenant Fletcher, and Detectives Garrett and Mayberry in our monthly Child Protection Team meetings. Again, thank you for your support, and that of your officers. Know that, together, we are providing an excellent service to these children and their families.

Sincerely,

Brenda Staples

COUNTY OF WILLIAMSON §

STATE OF TEXAS §

FUNDING AGREEMENT

This **INTERLOCAL COOPERATION AGREEMENT** ("Agreement") is executed by and between **WILLIAMSON COUNTY CHILDREN'S ADVOCACY CENTER**, 1811 SE Inner Loop, Georgetown, TX 78626, hereinafter referred to as "AGENCY", and the **CITY OF LEANDER, TEXAS**, a home rule municipal corporation organized under the laws of the State of Texas, hereinafter referred to as the "City", P.O. Box 319, Leander, Texas 78646, acting by and through their duly authorized representatives.

WHEREAS, the City of Leander is a local government as defined in 791.003 of the Texas Government Code, and

WHEREAS, AGENCY is a Texas non-profit organization whose mission is to provide a safe place to report child abuse, reduce the emotional trauma for children and non-offending family members, and extend professional services that protect the integrity of an investigation; and

WHEREAS, the goals of the Agency include (a) providing a child sensitive environment; (b) crisis intervention; (c) victim advocacy; (d) forensic interviewers; (e) medical and mental health referrals; and (f) investigation, prosecution, and treatment of child abuse cases; and

WHEREAS, both AGENCY and the City desire to enter into this Agreement to provide for the use of funds granted by the City for the benefit of the Leander community;

NOW, THEREFORE, for and in consideration of the covenants, conditions and undertakings hereinafter described, and the benefits to accrue to the citizens of the City, the parties contract, covenant and agree to provide certain governmental services and functions as follows:

Section 1. Assistance. The City of Leander will provide assistance to the AGENCY to be used for services that support the goals of the AGENCY, in an amount not to exceed $30,000 (the "Grant") for the term of this Agreement.

Section 2. Conflict of Interests. AGENCY covenants and agrees that it presently has no interest and will not acquire, direct or indirect, an interest, which conflicts with its efficient, diligent faithful performance of the terms of this contract and agreement. This agreement shall not be assigned or transferred by AGENCY without prior written consent of the City.

Section 3. Agreement Period. This Agreement shall commence on October 1, 2013, and shall continue in effect until September 30, 2014 unless terminated in writing by the City or AGENCY by giving thirty days notice of termination to the other party. In the event of early termination by

AGENCY, the AGENCY shall repay the City a pro-rata share of the Grant, pro-rated over the one-year term of this Agreement. Terms governing repayment of the Grant shall survive the term of this Agreement until fulfilled.

Section 4. Reporting. The AGENCY will provide the City with an annual report on the use of the funds or credit allocated to them by September 1 of each year.

Section 5. Repayment of Funds. AGENCY shall repay the City the Grant, less any reductions as provided in this subsection, within ten (10) days of notice by the City in the event that AGENCY fails to use the Grant as provide in this Agreement. For each quarter that AGENCY uses the Grant as provided in this Agreement, AGENCY's obligation to repay the Grant shall be reduced by $7,500.00.

Section 6. Amendments and Modifications. This Agreement may not be amended or modified except in writing executed by the City and the AGENCY and authorized by both parties.

Section 7. Captions. The descriptive captions of this Agreement are for informational purposes only and shall in no way limit or effect the terms or conditions of the paragraphs.

Section 8. Severability. The sections, paragraphs, clauses and phrases of this Agreement are severable and, if any phrase, clause, sentence, paragraph, or section of the Agreement should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, or paragraphs, and sections of this Agreement.

IN WITNESS WHERE OF, the parties hereto have executed this Agreement by their duly authorized agents and officers.

SIGNED AND APPROVED this the ____ day of September, 2013.

AGENDA ITEM # 11

Executive Summary

September 5, 2013

Council Agenda Subject: Resolution adopting an investment policy for the City of Leander.

Background: State law requires that the governing body annually review and approve the City's public funds investment policy and strategy. The City's investment advisor, Patterson and Associates has recommended a number of clarification and/or updating edits to the current policy. The only addition to authorized investments is the inclusion of any FDIC insured or collateralized interest bearing account in any bank in Texas (current policy only mentions CD's.) Also, on the approved Broker/Dealer list, Morgan Keegan merged with Raymond James and are now going by Raymond James.

INVESTMENT POLICY

I. POLICY

It is the policy of the City of Leander that after allowing for the anticipated cash flow requirements of the City and giving due consideration to the safety and risk of investment, all available funds shall be invested in conformance with these legal and administrative guidelines, seeking to optimize interest earnings to the maximum extent possible.

Effective cash management is recognized as essential to good fiscal management. Investment interest is a source of revenue to City Funds. The City's investment portfolio shall be designed and managed in a manner designed to maximize this revenue source, to be responsive to public trust, and to be in compliance with legal requirements and limitations.

Investments shall be made with the primary objectives of:

- **Safety** and preservation of principal
- Maintenance of sufficient **liquidity** to meet operating needs
- **Public trust** from prudent investment activities
- Optimization of **interest earnings** on the portfolio

II. PURPOSE

The purpose of this investment policy is to comply with Chapter 2256 of the Government Code (the "~~Public Funds Investment~~ Act"), which requires each governmental to adopt a written investment policy regarding the investment of its funds and funds under its control. The Investment Policy addresses the methods, procedures and practices that must be exercised to ensure effective and judicious fiscal management of the Entity's Funds.

III. SCOPE

This Investment Policy shall govern the investment of all financial assets of the City. These funds are accounted for in the City's Comprehensive Annual Financial Report (CAFR) and include:

- General Fund
- Special Revenue Funds (when applicable)
- Capital Projects Funds
- Enterprise Funds

- Trust and Agency Funds, to the extent not required by law or existing contract to be kept segregated and managed separately
- Debt Service Funds, including reserves and sinking funds, to the extent not required by law or existing contract to be kept segregated and managed separately
- Any new fund created by the City, unless specifically exempted from this policy by the City Council or by law.

The City will consolidate cash balances from all funds to maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

This Investment Policy shall apply to all transactions involving the financial assets and related activity for all the foregoing funds. However, this policy does not apply to the assets administered for the benefit of the City by outside agencies under deferred compensation programs.

IV. INVESTMENT OBJECTIVES AND STRATEGY

The Entity shall manage and invest its cash with four primary objectives, listed in order of priority: **safety, liquidity, public trust, and yield, expressed as optimization of interest earnings.** The safety of the principal invested always remains the primary objective. All investments shall be designed and managed in a manner responsive to the public trust and consistent with state and local law.

The City shall maintain a comprehensive cash management program, which includes collection of account receivables, vendor payments in accordance with invoice terms, and prudent investment of available cash. Cash management is defined as the process of managing monies in order to insure maximum cash availability and maximum earnings on short-term investment of idle cash.

Safety

Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit and interest rate risk.

- Credit Risk – The City will minimize credit risk, the risk of loss due to the failure of the issuer or backer of the investment, by:
  - Limiting investments to the safest types of investments
  - Pre-qualifying the financial institutions and broker/dealers with which the City will do business
  - Diversifying the investment portfolio so that potential losses on individual issuers will be minimized
- Interest Rate Risk – the City will minimize the risk that the interest earnings and the market value of investments in the portfolio will fall due to changes in general interest rates, by:

- Structuring the investment portfolio so that investments mature to meet cash requirements for ongoing operations, thereby avoiding the need to liquidate investments prior to maturity.
- Investing operating funds primarily in certificates of deposit, shorter term securities, money market mutual funds, or local government investment pools functioning as money market mutual funds.
- Diversifying maturities and staggering purchase dates to minimize the impact of market movements over time.

Liquidity

The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that investments mature concurrent with cash needs to meet anticipated demands. Because all possible cash demands cannot be anticipated, a portion of the portfolio will be invested shares of money market mutual funds or local government investment pools that offer same-day liquidity.

Public Trust

All participants in the City's investment process shall seek to act responsibly as custodians of the public trust. Investment officers shall avoid any transaction that might impair public confidence in the City's ability to govern effectively.

Yield

The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above.

Strategy

The following investment strategy has been designed to accomplish these objectives:

The City will invest in short and intermediate securities and investments which are highly credit worthy and mature within two years. The City will invest only in securities specified by this Policy.

At all times, the City shall maintain a cash position sufficient to meet daily liquidity requirements. This will be accomplished by maintaining approximately 15 percent of the total portfolio in money market funds, local government investment pools, and interest bearing accounts. The City may also position some investments to provide funding for anticipated or predictable obligations such as debt service payments.

The City shall not exceed a weighted average maturity of one year for the total portfolio.

V. RESPONSIBILITY AND CONTROL

Delegation of Authority

In accordance with the City of Leander and the ~~Public Funds Investment~~ Act, the City Council designates the Director of Finance as the City's Investment Officer. An Investment Officer is authorized to execute investment transactions on behalf of the City. No person may engage in an investment transaction or the management of City funds except as provided under the terms of this Investment Policy as approved by the Council. The investment authority granted to the investing officers is effective until rescinded by the City Council.

Quality and Capability of Investment Management

The City shall provide periodic training in investments for the designated investment officers and other investment personnel through courses and seminars offered by professional organizations, associations, and other independent sources in order to insure the quality and capability of investment management in compliance with the ~~Public Funds Investment~~ Act.

Training Requirement

In accordance with the City of Leander and the ~~Public Funds Investment~~ Act, designated Investment Officers shall attend ~~an~~ investment training ~~session no less often than once~~ every two fiscal years ~~commencing September 1, 1997 and shall receive not less than 10 hours of instruction~~ relating to investment risks and responsibilities. A newly appointed Investment Officer must attend a training session of at least 10 hours of instruction within twelve months of the date the officer took office or assumed the officer's duties. The investment training session shall be provided by an independent source approved by the City Council. For purposes of this policy, an "independent source" from which investment training shall be obtained include a professional organization, an institution of higher education or any other sponsor other than a business organization with whom the City may engage in an investment transaction.

Internal Controls

The Finance Director is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the City are protected from loss, theft, or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the

cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

Accordingly, the Finance Director shall establish a process for annual independent review by an external auditor to assure compliance with policies and procedures. The internal controls shall address the following points.

- Control of collusion.
- Separation of transactions authority from accounting and record safekeeping.
- Clear delegation of authority to subordinate staff members.
- ~~Written confirmation~~ Documentation of ~~for telephone (voice)~~ all transactions for investments and wire transfers.
- ~~Development of a wire transfer agreement with the depository bank or third party custodian.~~

Monitoring FDIC Bank Status

The Investment Officer or Investment Advisor shall monitor, on no less than a weekly basis, the status and ownership of all banks issuing brokered CDs owned based upon information from the FDIC. If any bank has been acquired or merged with another bank in which brokered CDs are owned, the Investment Officer shall immediately liquidate any brokered CD which places the City above the FDIC insurance limit.

Monitoring Credit Ratings

All prudent measures will be taken to liquidate an investment that is downgraded to less than the required minimum rating. The Investment Officer ~~or Investment Advisor,~~ shall monitor, on no less than a weekly basis, the credit rating on all authorized investments in the portfolio based upon independent information from a nationally recognized rating agency. If any security falls below the minimum rating required by this Policy, the Investment Officer shall immediately sell the security, if possible, regardless of a loss of principal.

Prudence

The standard of prudence to be applied by the Investment Officer shall be the "prudent investor" rule. This rule states that "Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment considering the probable safety of their capital as well as the probable income to be derived." In determining whether an Investment Officer has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration:

- The investment of all funds, or funds under the City's control, over which the officer had responsibility rather than a consideration as to the prudence of a single investment.
- Whether the investment decision was consistent with the written approved investment policy of the city.

Indemnification

The Investment Officer, acting in accordance with written procedures and exercising due diligence, shall not be held personally ~~responsible~~ liable for a specific investment's credit risk or market price changes, provided that these deviations are reported immediately and the appropriate action is taken to control adverse developments.

Ethics and Conflicts of Interest

Investment Officers and employees involved in the investment process shall refrain from personal business activity that would conflict with the proper execution and management of the investment program, or that would impair their ability to make impartial decisions. Employees and Investment Officers shall disclose any material interests in financial institutions or counter-parties with which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Employees and officers shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of the City.

An Investment Officer of the City who has a personal business relationship with an organization seeking to sell an investment to the City shall file a statement disclosing that personal business interest. An Investment Officer who is related within the second degree by affinity or consanguinity to an individual seeking to sell an investment to the City shall file a statement disclosing that relationship. A statement required under this subsection must be filed with the Texas Ethics Commission and the City Council.

VI. SUITABLE AND AUTHORIZED INVESTMENTS

Portfolio Management

The City currently has a "buy and hold" portfolio strategy. Maturity dates are matched with cash flow requirements and investments are purchased with the intent to be held until maturity. However, investments may be liquidated prior to maturity for the following reasons:

- An investment with declining credit may be liquidated early to minimize loss of principal.
- Cash flow needs of the City require that the investment be liquidated.

Investments

City funds governed by this policy may be invested only in the instruments described below, all of which are authorized ~~by Chapter 2256 of the Texas Government Code (~~by the Public Funds Investment Act.~~)~~ Investment of ~~Entity~~ City funds in any instrument or security not authorized ~~for investment~~ under ~~the Act~~ this Policy is prohibited. The City

will not be required to liquidate an investment that becomes unauthorized subsequent to its purchase.

A. Authorized

1. Obligations of the United States of America, its agencies and instrumentalities, excluding mortgage backed securities, with a stated final maturity not to exceed two years.

2. Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than AA or its equivalent, with a stated final maturity not to exceed two years.

3. Depository Certificates of Deposit issued by a bank or savings bank doing business in Texas that is insured by the Federal Deposit Insurance or its successor or secured by obligations in a manner and amount provided by law and this policy for deposits of the City.

4. Money Market Mutual Funds that ~~are~~ 1) are registered and regulated by the Securities and Exchange Commission, 2) have a dollar weighted average stated maturity of 90 days or less, 4) are rated AAA by at least one nationally recognized rating service, and 4) seek to maintain a net asset value of $1.00 per share.

5. Constant-dollar, Texas local government investment pools, which 1) meet the requirements of ~~Chapter 2256.016 of~~ the ~~Public Funds Investment~~ Act, 2) are rated no lower than AAA or an equivalent rating by at least one nationally recognized rating service, 3) must maintain a maximum average dollar weighted maturity of 60 days, 4) seek to maintain a $1.00 net asset value, and 4) ~~bear~~e authorized by resolution or ordinance ~~by~~ of the City Council.

   Any investment pool that is created to function as a money market mutual fund must maintain a maximum average dollar weighted maturity that does not exceed 90 days and seek to maintain a $1.00 net asset value. Any investment pool that does not meet the requirements of one that is created to function as a money market mutual fund, must maintain a maximum average dollar weighted maturity that does not exceed 365 days (or 366 days in the case of a leap year) and must provide a fixed interest rate and a fixed maturity term for each pool position.

6. Fully collateralized repurchase ~~A~~agreements with a bank in Texas or a primary dealer, executed under the Bond Market Master Repurchase Agreement in accordance with the ~~PFIA~~ Act not to exceed 120 days. Flex repurchase agreements may be used for bond proceeds and may exceed 120 days but must be matched to the projected expenditures of the funds.

7. FDIC insured "brokered certificates of deposit" securities from a bank in any US state, delivered versus payment to the City's safekeeping agent, not to exceed one year to maturity. Before purchase, the Investment Officer must verify the FDIC status of the bank (at www.fdic.gov) to assure that the bank is FDIC insured.

8. FDIC insured or collateralized interest bearing accounts in any bank in Texas.

Formatted: Bullets and Numbering

B. Not Authorized

~~Investments including i~~Interest-only or principal-only mortgage-backed securities~~strips of obligations with underlying mortgage-backed security collateral~~, collateralized mortgage obligations with an inverse floating interest rate or a maturity date of over 10 years are strictly prohibited.

VII. INVESTMENT PARAMETERS

Maximum Maturities

The longer the maturity of investments the greater their price volatility. Therefore it is the City's policy to concentrate its investment portfolio in shorter-term securities in order to limit principal risk caused by changes in interest rates.

The City attempts to match its investments with anticipated cash flow requirements. The City will not directly invest in securities maturing more than two (2) years from the date of purchase; however, the above described obligations, certificates, or agreements may be collateralized using longer dated investments.

Because no secondary market exists for repurchase agreements, the maximum maturity shall be 120 days except in the case of a flexible repurchase agreement for bond proceeds. The maximum maturity for such an investment shall be determined in accordance with project cash flow projections and the requirements of the governing bond ordinance.

The composite portfolio will have a maximum weighted average maturity of 365 days. This dollar-weighted average maturity will be calculated using the stated final maturity dates of each security.

Diversification

The City recognizes that investment risks can result from issuer defaults, market price changes or various technical complications leading to temporary illiquidity. Risk is controlled through portfolio diversification that shall be achieved by the following general guidelines;

- Limiting investments to avoid over concentration in investments from a specific issuer or business sector (excluding U.S. Treasury securities and certificates of deposit that are fully insured and collateralized in accordance with state and federal law),
- Limiting investment in investments that have higher credit risks, ~~(example: commercial paper).~~
- Investing in investments with varying maturities, and
- Continuously investing a portion of the portfolio in readily available funds such as local government investment pools (LGIPs), money market funds or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations.

VIII. SELECTION OF BANKS AND DEALERS

Depository

At least every five years, a banking services Depository shall be selected through the City's banking services procurement process, which shall include a formal request for proposal (RFP). The selection of a depository will be determined by competitive bid and evaluation of bids will be based on the following selection criteria:

- The ability to qualify as a depository for public funds in accordance with state law.
- The ability to provide requested information or financial statements for the periods specified.
- The ability to meet all requirements in the banking RFP.
- Complete response to all required items on the bid form.
- Lowest net banking service cost, consistent with the ability to provide an appropriate level of service.

Authorized Brokers/Dealers

The City Council shall, at least annually, review, revise, and adopt a list of qualified broker/dealers ~~and financial institutions~~ authorized to engage in securities transactions with the City.

Those firms that request to become qualified bidders for securities transactions will be required to provide 1) a completed broker/dealer questionnaire that provides information regarding creditworthiness, experience and reputation, and 2) a certification stating the firm has received, read and understood the City's investment policy and agree to comply with the policy. Authorized firms may include primary dealers or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1 (Uniform Net Capital Rule), and qualified depositories.

All investment providers, including broker/dealers~~financial institutions~~, banks, and local government investment pools, must sign a certification acknowledging that the organization has received and reviewed the City's Investment Policy and that reasonable procedures and controls have been implemented to preclude investment transactions that are not authorized by the City's policy.

Competitive Bids

It is the policy of the City to require competitive bidding for all individual security purchases and sales except for~~: a)~~ transactions with money market mutual funds and local government investment pools~~ and b) t~~Treasury and agency securities purchased at issue

through an approved broker/dealer or financial institution must still be compared to alternatives in the secondary market..

Delivery vs. Payment

Securities shall be purchased using the **delivery vs. payment** method with the exception of investment pools and money market mutual funds. Funds will be released after notification that the purchased security has been received.

IX. SAFEKEEPING OF SECURITIES AND COLLATERAL

Safekeeping and Custodian Agreements

The City shall contract with a bank or banks for the safekeeping of securities either owned by the City as part of its investment portfolio or custody for ~~held as~~ collateral to secure demand or time deposits. Securities owned by the City shall be held ~~in~~ for the City~~'s name~~ as evidenced by safekeeping receipts of the institution holding the securities.

An independent third party custodian for collateral will be approved by the City. Collateral for deposits will be held by ~~a third party custodian designated by the City~~ and pledged to the City as evidenced by safekeeping receipts of the institution with which the collateral is deposited. Original safekeeping receipts shall be obtained from the Custodian. Collateral must be held by an independent bank outside the holding company of the depository, a Federal Reserve Bank, or a Federal Home Loan Bank.

Collateral Policy

Consistent with the requirements of the Public Funds Collateral Act, it is the policy of the City to require full collateralization of all City funds on all time and demand deposits with a depository bank~~, other than investments~~. In order to anticipate market and provide a of security for all funds, the collateralization level will be 102% of market value of principal and accrued interest on the deposits ~~or investments~~ less an amount insured by the FDIC daily.

At its discretion, the City may require a higher level of collateralization for certain investment securities. ~~Securities pledged as collateral shall be held by an independent third party outside the holding company of the depository.~~ The Finance Director is responsible for entering into collateralization agreements with third party custodians in compliance with this policy. The acceptable investment securities for collateral are:

i. Obligations of the US Government, its agencies and instrumentalities including mortgage backed securities and CMOs passing the bank test.
ii. Obligations of any state or local government rated AA or better by at least two national recognized rating agencies.

The collateral agreement shall include provisions relating to possession of the collateral, the substitution or release of investment securities, ~~ownership~~ pledge of securities, and the method of valuation of securities. A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City directly from the custodian and retained. The custodian shall provide a monthly report of collateral directly to the City. Collateral shall be reviewed at least quarterly by the City to assure the market value of the pledged securities is adequate.

Subject to Audit

All collateral shall be subject to inspection and audit by the Financial Director or the City's independent auditors.

X. PERFORMANCE

Performance Standards

The City's investment portfolio will be managed in accordance with the parameters specified within this policy. The portfolio shall be designed with the objective of obtaining a rate of return through budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow requirements of the City. Quarterly reports will provide performance information comparing the City's yield to the one year Treasury Note which will be the benchmark for the portfolio in keeping with its one year maximum weighted average maturity.

It is the policy of the ~~e~~City to purchase investments with maturity dates coinciding with cash flow needs. Through this strategy, the City shall seek to optimize interest earnings utilizing allowable investments available on the market at that time. Market values will be reported, at a minimum, on a quarterly basis on all securities owned and compared to current amortized book value.

XI. REPORTING

The Investment Officer shall prepare an investment report on a quarterly basis that summarizes investment strategies employed in the most recent quarter and describes the portfolio in terms of investment securities, maturities, and shall explain the average investment yield for the quarter.

The quarterly investment report shall include a summary statement of investment activity prepared in compliance with generally accepted accounting principles and the ~~PFIA~~ Act. This summary will be prepared in a manner that will allow the City to ascertain whether investments activities during the reporting period have complied with the Investment

Policy. The report will be provided to the City Council. The report will include the following:

- A listing of individual securities held at the end of the reporting period.
- Unrealized gains or losses resulting from appreciation or depreciation by listing the beginning and ending book and market value of securities for the period.
- Additions and changes to the market value during the period.
- Average weighted yield to maturity of portfolio as compared to applicable benchmark.
- Listing of investments by maturity date.
- Fully accrued interest for the reporting period
- The percentage of the total portfolio that each type of investment represents.
- Statement of compliance of the City's investment portfolio with state law and the investment strategy and policy approved by the City Council.

An independent auditor will perform a formal annual review of the quarterly reports.

Monitoring Market Value

Market value of all securities in the portfolio will be determined on a quarterly basis at a minimum. These values will be obtained from a reputable and independent source and disclosed to the governing body quarterly in a written report.

XII. INVESTMENT POLICY ADOPTION

The City's investment policy and strategy shall be adopted by resolution of the City Council at least annually. It is the City's intent to comply with state laws and regulations. The City's investment policy shall be subject to revisions consistent with changing laws, regulations, and needs of the City. The City Council shall adopt a resolution stating that it has reviewed the policy and investment strategies annually and include any changes or modifications.

AGENDA ITEM # 13

Executive Summary

September 5, 2013

Council Agenda Subject: An Ordinance Abandoning Portions of the Original Hero Way Right-of-Way and Authorizing Conveyance of said Right-of-Way and Authorizing the Release and Termination of Certain Related Easements

Background: This ordinance authorizes the abandonment and conveyance to the abutting property owner (Leander Partners, Ltd.) portions of right-of-way (the "ROW") dedicated to the City in 2004 for construction of Hero Way. The ROW and related easements were granted to the City outside of the usual land development processes. Ultimately, the ROW was not used for the construction of Hero Way, and Leander Partners dedicated other right-of-way to the City for the construction of Hero Way and Mel Mathis Boulevard. The ordinance and related documents provide for the City to retain ownership of the portions of the ROW that have been paved. The ordinance also authorizes the release and termination of easements related to the 2004 right-of-way dedication that are no longer required with the ROW being abandoned.

Origination: Wayne S. Watts, P.E., CFM, City Engineer

Financial Consideration: N/A

Recommendation: Staff recommends City Council's approval of the Ordinance.

ORDINANCE No. _____

AN ORDINANCE OF THE CITY OF LEANDER, TEXAS, ABANDONING PORTIONS OF THE ORIGINAL HERO WAY RIGHT-OF-WAY AND AUTHORIZING CONVEYANCE OF SAID RIGHT-OF-WAY; AUTHORIZING THE RELEASE AND TERMINATION OF CERTAIN RELATED EASEMENTS; MAKING FINDINGS OF FACT; AND PROVIDING FOR RELATED MATTERS.

Whereas, Leander Partners, Ltd., a Texas limited partnership purported to dedicate to the City of Leander, Texas (the "City") right-of-way for a road to be known as Hero Way and certain easements for drainage, wastewater, and trail access related to the Hero Way right-of-way dedication, said right of way being more particularly described in Document No. 2004089007, Official Public Records of Williamson County, Texas and Attachment A (the "Original Hero Way");

Whereas, City Council finds and declares that: (1) the Original Hero Way was an unauthorized dedication inconsistent with the City's Subdivision Ordinance and land development regulations; (2) such attempted dedication was rejected and later accepted by the City with limitations and findings of fact as provided in City Resolution R05-017-00; (3) Transit Village Investments, Ltd., a Texas limited partnership (the "Owner"), successor in interest to Leander Partners, Ltd., a Texas limited partnership owns the land that includes the Original Hero Way; (4) the City and Owner agreed to exchange the Original Hero Way, save and except Tract 1 described in Attachment A and the property described in Attachment A-1 (the "ROW"), in exchange for dedication of right-of-way for Hero Way and Mel Mathis Boulevard as described in Attachment B (the "Substituted ROW")(5) the Substituted ROW has been conveyed to and accepted by the City; and (6) the conveyance of the ROW to the Owner is for the purpose of correcting errors and clearing title to the property upon which the ROW is located;

Whereas, the ROW is surplus and not necessary for use by the City, the general public, or the landowners adjacent thereto as an alley or street;

Whereas, the fair market value of the Substituted ROW given to the City is approximately the same as the fair market value of the ROW to be abandoned and released by the City;

Whereas, portions of the Original Hero Way overlap portions of the Substituted ROW, and the City Council neither intends to, nor by this ordinance does, abandon, vacate, or convey any portion of the Substituted ROW;

Whereas, the City is authorized by the Local Government Code to exchange rights-of-way without obtaining an appraisal and without bidding; and

Whereas, with the abandonment of the ROW, the City finds and determines that certain easements which were dedicated in connection with the dedication of ROW, being more particularly described in Section 4 below and Attachment C, are no longer necessary for use by

the City under current development plans for the property upon which the easements are located;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS, THAT:

Section 1. **Findings of Fact.** The findings and recitations set out hereinabove are found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

Section 2. **Right-of-Way.** The portion of the right-of-way described in Document No. 2004089007, Official Public Records of Williamson County, Texas and Attachment A, save and except Tract 1, as described in Attachment A and the portion of Tract 2 described in Attachment A-1 (the "ROW"), is hereby permanently closed, vacated, and abandoned by the City and the general public. The City shall retain and does hereby accept ownership of Tract 1 described in Attachment A and the property described in Attachment A-1. The City further retains ownership of and does not intend to vacate, abandon, or convey its interest in the Substituted ROW.

Section 3. **Consideration and Authorization to Execute Special Warranty Deed.** In consideration for the dedication of the Substituted ROW, the Mayor and the City Secretary are hereby authorized, empowered, instructed and directed to execute a special warranty deed in a form substantially similar to that attached hereto as Attachment D conveying the rights and interests of the City in the ROW to the Owner; provided that Owner shall pay the attorney's fees and expenses incurred in preparing the documents related to the ROW abandonment and conveyance and the termination of easements authorized herein. Upon the execution and filing of the special warranty deed described in this Ordinance in the county real property records, such deed shall be and become a valid and binding act and deed of the City of Leander, Texas.

Section 4. **Release and Termination of Easements.** (a) Upon payment of the attorney's fees described in Section 3, the Mayor and the City Secretary are further authorized, empowered, instructed, and directed to execute a Release and Termination of Easements in a form substantially similar to that attached hereto as Attachment C releasing and terminating the following-described easements:

1) An approximately 27.55 acre drainage easement, located in Leander, Williamson County, Texas, more particularly described in Document No. 2004036926, Official Public Records of Williamson County, Texas and in Attachment C attached hereto and incorporated herein for all purposes;
2) An approximately 0.60 acre drainage easement, located in Leander, Williamson County, Texas, more particularly described in Document No. 2004089009, Official Public Records of Williamson County, Texas and in Attachment C attached hereto and incorporated herein for all purposes;
3) An approximately 0.04 acre wastewater easement, located in Leander, Williamson County, Texas, more particularly described in Document No. 2004089008, Official Public Records of Williamson County, Texas and in Attachment C attached hereto and incorporated herein for all purposes; and

4) An approximately 11.43 acre trail access easement, located in Leander, Williamson County, Texas, more particularly described in Document No. 2004036925, Official Public Records of Williamson County, Texas and in Attachment C attached hereto and incorporated herein for all purposes.

(b) Upon the execution and filing of the Release and Termination of Easements described in this Ordinance in the county real property records, such Release and Termination of Easements shall be and become a valid and binding act of the City of Leander, Texas.

Section 5. **Effective Date**. This Ordinance shall be in force and effect from and after its passage on the date shown below.

Section 6. **Open Meetings**. It is hereby officially found and determined that this meeting was open to the public, and public notice of the time, place and purpose of said meeting was given, all as required by the Open Meetings Act, Chapter 551, Texas Government Code.

FINALLY PASSED AND ADOPTED this _____ day of _____, 2013.

Agenda item # 14b

Executive Summary

September 5, 2013

Agenda Subject: An Ordinance Adopting the FY 2013-14 Annual Budget

Background: After the public hearing on the proposed budget for FY 2013-14, the City Council can adopt the proposed budget, with or without amendments. State law requires that a budget be adopted before the governing body can set the tax rate. State law also states that adoption of a budget that raises more revenue from property taxes than in the previous year will require a separate vote of the governing body to ratify the property tax increase reflected in the budget. The increase in property tax revenue is $1,148,000 or 9.5%, and of that amount, $792,785 is tax revenue to be raised from new property added to the tax roll this year.

Origination: Robert G. Powers, Finance Director

Financial Consideration: See attached proposed budget

Recommendation: Motion #1 – move to ratify the property tax increase reflected in the proposed budget. Motion #2 – move to approve the proposed budget for FY 2013-14

Attachments: Ordinance adopting the FY 2013-14 Annual Budget

Prepared by: Robert G. Powers, Finance Director

ORDINANCE NO.

AN ORDINANCE OF THE CITY OF LEANDER, TEXAS ADOPTING A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2013, AND ENDING SEPTEMBER 30, 2014; APPROPRIATING THE VARIOUS AMOUNTS THEREOF, AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Manager of the City of Leander, Texas ("City") has submitted to the City Council a proposed budget of the revenues and the expenditures for FY 2013-14 to conduct the affairs of the City and has provided a complete financial plan for FY 2013-14; and

WHEREAS, the proposed budget has been compiled from detailed information obtained from the several departments, divisions, and offices of the City; and

WHEREAS, the City Council has received the City Manager's proposed budget, a copy of which has been filed with the City Secretary; and

WHEREAS, the City Council has conducted a public hearing on the budget, as provided by law.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS, THAT:

Section 1. The FY 2013-14 Annual Budget, beginning October 1, 2013, and ending September 30, 2014, a copy which is attached hereto as Exhibit "A", is hereby adopted.

Section 2. The sums shown on Exhibit "A" are hereby appropriated from the respective funds for the payment of expenditures on behalf of the City as established in the approved budget document for the fiscal year ending September 30, 2014.

Section 3. The city manager is hereby authorized to transfer appropriations, when necessary, between accounts within the same budgetary fund for purposes of fiscal control, efficiency and sound management practices.

Section 4. Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

Section 5. This ordinance shall be and remain in full force and effect from and after its final passage and publication as herein provided.

PASSED AND APPROVED this 5th day of September, 2013.

Fund Summary: In 2007, the City borrowed $9,200,000 for water and wastewater projects - principally upfront costs relating to the formation of the Brushy Creek Regional Utility Authority. In 2009, after the BCRUA was officially formed and was able to borrow funds from the Texas Water Development Board to design and construct the regional water treatment plant, the City was reimbursed for these upfront costs. The funds were then applied to other City projects such as the 42" water main along Ronald Reagan Boulevard and the purchase of wastewater capacity in the the City of Cedar Park's North Brushy Creek Interceptor which allowed the City of Leander to join the Brushy Creek Regional Wastewater System.

Fund Summary: The Bryson Farmstead Fund was established as part of the Memorandum of Understanding that was executed between the City of Leander, the Central Texas Regional Mobility Authority (CTRMA) and TxDOT. The purpose of the MOU was to establish conditions under which the CTRMA could extend the 183A tollway project northward. The project had been on hold when the Bryson Farmstead property was discovered to be an historical property. The CTRMA agreed to place $1,000,000 in escrow to be used by the City of Leander for historical preservation and related activities for the property.

Fund Summary: The Tax Reinvestment Zone No. 1 was created by the City Council in 2006. The district has a separate board of directors who are charged with implementing the Financing Plan that accompanied creation of the zone. Both the City and Williamson County contribute 50% of their respective tax collections on the "Incremental" value of property within the district to the TIRZ fund.

Fund Summary: The Interest & Sinking fund is legally required to account for the portion of property taxes collected by the City to pay its debt obligations. Each year, the City Council adopts a tax rate on all property within the city limits. However, the tax rate has two components - an Maintenance & Operations rate which supports the General Fund; and an Interest & Sinking rate which goes to this fund to be available to pay the City's debt.

Revenues from utility operations (rate payers) are transferred to this fund so that sufficient revenue is available to make the payments when due.

AGENDA ITEM # 15

Executive Summary

September 05, 2013

Agenda Subject: Subdivision Case #13-CP-004: Hold a public hearing and consider action on the Pecan Creek Revised Concept Plan, for 97.19 acres more or less; WCAD Parcels R031572, R518873, R518872, and R031571 located at 303 & 451 CR 179; generally located approximately 4,500 feet to the east of the intersection of Ronald W. Reagan Blvd and CR 179; Leander, Williamson County Texas.

Background: This request is the first step in the subdivision process. A concept plan for a portion of this property was reviewed and approved by the Planning and Zoning Commission on September 13, 2012 and the City Council on September 20, 2012. The developer added approximately 23.87 acres to the project and a revised concept plan is required. Pursuant to Section 212.005 of the Texas Local Government Code, approval by municipality is required since the concept plan satisfies the applicable regulations without requesting any variances that require approval of the Planning & Zoning Commission.

Origination: Applicant/Agent: Randall Jones & Associates Engineering, INC on behalf of Jenn Texas III, LLC (Chris Lynch) and Tami Ramker

Financial Consideration: None

Recommendation: Staff recommends approval of the concept plan. This concept plan proposes 5 phases of residential development including approximately 253 single-family lots and 28.20 acres of open space (including floodplain and drainage areas). This proposal meets all of the requirements of the Subdivision Ordinance. The Planning & Zoning Commission recommended approval of the concept plan at the August 22, 2013 meeting.

AGENDA ITEM # 16

Executive Summary

September 05, 2013

Agenda Subject:	Zoning Case 13-Z-019: Hold a public hearing and consider action on the rezoning of a parcel located at 806 South West Drive for 0.49901 acres more or less; legally described as Lot 4, Blk B, Leander Heights Section 1; WCAD Parcel #R036241. Currently, the property is zoned SFU/MH-2-B (Single Family Urban / Manufactured Home). The property is proposed to be zoned GC-5-D (General Commercial), Leander, Williamson County, Texas.
Background:	This request is the second step in the rezoning process.
Origination:	Applicant: King Bravo on behalf of Dennis Powell & Leslie Moore
Financial Consideration:	None
Recommendation:	See Planning Analysis. The Planning & Zoning Commission recommended denial of the requested GC-5-D (General Commercial) and approval of the staff recommendation of GC-3-C (General Commercial) at the August 22, 2013 meeting.

PLANNING ANALYSIS

ZONING CASE 13-Z-019
806 S WEST DRIVE

GENERAL INFORMATION

Owner: Dennis Powell & Leslie Moore

Current Zoning: SFU/MH-2-B (Single-Family Urban / Manufactured Home)

Proposed Zoning: GC-5-D (General Commercial)

Size and Location: The property is located at 806 S West Drive and is approximately 0.49901 acres in size.

Staff Contact: Robin M. Griffin, AICP
Senior Planner

ABUTTING ZONING AND LAND USE:

The table below lists the abutting zoning and land uses.

	ZONING	LAND USE
NORTH	LI-4-D	Established Commercial Use (Auto Repair – Grandfathered Development)
EAST	SFU/MH-2-B	Established Manufactured Home
SOUTH	GC-3-C	Established Commercial Use
WEST	SFU-2-B	Established Single-Family Neighborhood (Magnolia Creek)

COMPOSITE ZONING ORDINANCE INTENT STATEMENTS

USE COMPONENTS:

GC – GENERAL COMMERCIAL:

Features: Any use in LC plus bar, nightclub, entertainment venues, hospital, hotel, liquor store, office/warehouse, vehicle and equipment sales, leasing and repair, furniture sales, pet shop, wholesale activities less than 3,500 sq. ft.

Intent: Development of small to large scale commercial, retail, and commercial service uses located in high traffic areas. Access to this component should be provided by an arterial street. The heaviest concentration of this component should be located at intersections of arterial streets.

SITE COMPONENTS:

TYPE 3:

Features: Accessory buildings up to 30% of primary building; accessory dwellings; drive-thru service; limited outdoor display and storage; outdoor fueling and washing of vehicles; overhead service doors, no indoor parking required.

Intent:

(1) A Type 3 site component is intended to be utilized with LO and LC use components where adjacent to less restricted districts to provide for a land use transition.

(2) This component is intended to be utilized with residential components where accessory dwellings or additional accessory structures are appropriate and are not provided for in the Type 1 or 2 site components.

(3) This component is intended to be combined with LO, LC, GC, LI and HI components where it is appropriate to utilize the outdoor site area for outdoor fuel sales, limited outdoor display and storage or accessory buildings.

TYPE 5 (non-residential only):

Features: Accessory buildings; drive-thru service; outdoor fueling and washing of vehicles; overhead service doors; maximum outdoor display and storage; outdoor entertainment venues and animal boarding.

Intent:

(1) The Type 5 site component is intended to be utilized with developments that have intense outdoor site requirements and a need to utilize the outdoor site area for maximum outdoor display, storage and / or accessory buildings.

(2) This component is intended only for industrial or the heaviest commercial uses and may be combined only with GC, LI or HI use components.

(3) This site component is not intended for retail or office development not requiring the available limits of outdoor storage and accessory buildings or adjacent to residential neighborhoods where not adequately buffered from residential uses.

(4) This site component is discouraged along major thoroughfares and is intended to be utilized within industrial park developments.

ARCHITECTURAL COMPONENTS:

TYPE C (non-residential only):

Features: 35% masonry (60% street facing); 3 or more architectural features.

Intent:

(1) The Type C architectural component is intended to be utilized only in the LO, LC, GC, LI and HI use components for intermediate quality development.

(2) Combined with appropriate use and site components, this component can help to provide for harmonious land use transitions from districts that are less restricted to districts that are more restricted.

(3) This component is not intended for the majority of the LO and LC use components except those that may be adjacent to less restricted districts.

COMPREHENSIVE PLAN STATEMENTS:

The following Comprehensive Plan statements may be relevant to this case:

- Provide Opportunities for coordinated, well-planned growth and development that are consistent with the Comprehensive Plan.
- Plan for future development that is compatible with existing residential neighborhoods.

ANALYSIS:

The subject property is currently zoned SFU/MH-2-B (Single-Family Urban / Manufactured Home). The properties to the east are currently zoned SFU/MH-2-B and developed with manufactured homes. The properties to the south are zoned GC-3-C (General Commercial) and include a mixture of undeveloped properties, commercial projects, or established manufactured homes. The Magnolia Creek residential subdivision is located to the west and was recently purchased by DR Horton to complete the neighborhood.

The proposed Type 5 site component permits unlimited outdoor storage and display. This site component is intended for intense commercial and industrial projects that are located within industrial parks. The subject property is currently located within a transitional area with a mixture of established residential uses and commercial uses. The Type 3 site component would be more compatible with this area. This site component limits the amount of outdoor storage to 20% of the gross floor area of the primary structure.

The proposed GC (General Commercial) use component permits a mixture of large scale commercial and service uses. This use component exists along the east side of West Drive.

STAFF RECOMMENDATION:

Staff recommends denial of the requested GC-5-D (General Commercial) district and approval of the GC-3-C (General Commercial) district. The GC-3-C would be more appropriate at this location due to the existing neighborhood and development located to the southeast. This zoning district would be consistent with the existing zoning pattern.

City of Leander Planning Department

104 North Brushy Street

PO Box 319

Leander, Texas 78641

August 6, 2013

Dear City of Leander Planning Department,

We are the current owners of the property located at 806 S West Dr in Leander, Texas. The following are facts underlining our request:

1. We believed the property to be zoned Commercial until recently.
2. All other properties on that side of S West Dr from Sonny Dr to Crystal Falls Parkway are zoned GC or LI.
3. The adjoining properties facing S West Dr are zoned GC on one side and LI on the other.
4. We have a contract from a plumbing contractor that we believe would require GC or LI zoning.

Thus we request GC-5-D (General Commercial) zoning for our property.

Sincerely,

Dennis Powell

Leslie Moore

ORDINANCE NO #

ORDINANCE OF THE CITY OF LEANDER, TEXAS, AMENDING THE ZONING ORDINANCE BY REZONING A PARCEL OF LAND FROM SFU/MH-2-B (SINGLE-FAMILY URBAN/MANUFACTURED HOME) TO GC-5-D (GENERAL COMMERCIAL); MAKING FINDINGS OF FACT; AND PROVIDING FOR RELATED MATTERS.

Whereas, the owner of the property described herein after (the "Property") has requested that the Property be rezoned;

Whereas, after giving at least ten days written notice to the owners of land within two hundred feet of the Property, the Planning & Zoning Commission held a public hearing on the proposed rezoning and forwarded its recommendation on the rezoning to the City Council;

Whereas, after publishing notice of the public hearing at least fifteen days prior to the date of such hearing, the City Council at a public hearing has reviewed the request and the circumstances of the Property and finds that a substantial change in circumstances of the Property, sufficient to warrant a change in the zoning of the Property, has transpired;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS, THAT:

Section 1. Findings. The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

Section 2. Amendment of Zoning Ordinance. Ordinance No. 05-018, as amended, the City of Leander Composite Zoning Ordinance (the "Zoning Ordinance" or "Code"), is hereby modified and amended by rezoning the Property as set forth in Section 3.

Section 3. Applicability. This ordinance applies to the following parcel of land, which is herein referred to as the "Property:" That certain parcel of land being 0.49901 acres, more or less, located in Leander, Williamson County, Texas, being more particularly described in Exhibit "A", located at 806 South West Drive, Leander, Texas, legally described as Lot 4, Block B, Leander Heights Section 1, more particularly described in Document Number 2011068655, Official Public Records of Williamson County, Texas, and identified by tax identification number R036241.

Section 4. Property Rezoned. The Zoning Ordinance is hereby amended by changing the zoning district for the Property from SFU/MH-2-B (Single-Family Urban/Manufactured Home) to GC-5-D (General Commercial).

Section 5. Recording Zoning Change. The City Council directs the City Secretary to record this zoning classification on the City's official zoning map with the official notation as prescribed by the City's zoning ordinance.

Section 6. Severability. Should any section or part of this ordinance be held unconstitutional, illegal, or invalid, or the application to any person or circumstance for any reasons thereof

ineffective or inapplicable, such unconstitutionality, illegality, invalidity, or ineffectiveness of such section or part shall in no way affect, impair or invalidate the remaining portion or portions thereof; but as to such remaining portion or portions, the same shall be and remain in full force and effect and to this end the provisions of this ordinance are declared to be severable.

Section 7. Open Meetings. That it is hereby officially found and determined that the meeting at which this ordinance is passed was open to the public as required and that public notice of the time, place, and purpose of said meeting was given as required by the Open Meetings Act, Chapt. 551, Loc. Gov't. Code.

PASSED AND APPROVED on First Reading this the 5th day of September, 2013.
FINALLY PASSED AND APPROVED on this the 19th day of September, 2013.

AGENDA ITEM # 17

Executive Summary

September 5, 2013

Agenda Subject: Consider a Resolution in support of Project Connect

Background: Council Member Siebold requested this item be placed on the agenda for Council's consideration.

Origination: Council Member Siebold

Recommendation: N/A

Prepared by: Debbie Haile TRMC, City Secretary

RESOLUTION

A RESOLUTION OF THE CITY OF LEANDER, TEXAS IN SUPPORT OF PROJECT CONNECT, A PLANNING EFFORT FOR HIGH CAPACITY TRANSIT INITIATED BY THE CAPITAL METROPOLITAN TRANSPORTATION AUTHORITY, CITY OF AUSTIN, LONE STAR RAIL DISTRICT AND CAMPO

WHEREAS, the Transit Working Group (TWG), a subcommittee of the Capital Area Metropolitan Planning Organization (CAMPO) and, has deliberated for nearly 18 months on issues of regional mobility and connectivity; and

WHEREAS, the Transit Working Group has been supported in its deliberations by the Project Connect collaborative planning effort for high-capacity transit initiated by the Capital Metropolitan Transportation Authority, City of Austin, Lone Star Rail District and CAMPO; and

WHEREAS, Central Texas' regional population growth is projected to double in the next 25 years; and

WHEREAS, the TWG and the public agree that traffic congestion is a serious problem that threatens our region's economic health and quality of life and needs to be addressed; and

WHEREAS, high-capacity transit is an important part of the solution for improving mobility in Central Texas and will also provide new travel options between Central Texas and the San Antonio metropolitan area; and

WHEREAS, high-capacity transit includes modes such as Transit on Express Lanes, Bus Rapid Transit, Commuter/ Regional Rail and Urban Rail; and

WHEREAS, the TWG members have determined that the North and Central corridors are the highest priority for regional high-capacity transit based on travel demand and high ridership potential, land use, economic development, employment and travel patterns; and

WHEREAS, high-capacity transit projects should maximize the use of dedicated rights-of-way and other means of gaining a travel time advantage where financially and physically reasonable; and

WHEREAS, future high-capacity transit projects should strive for a "true alternative" to driving, providing quality competitive trips between and within the CAMPO adopted regional activity centers and seamless connectivity between high-capacity transit components; and

WHEREAS, the TWG agrees that participating communities in the region should be required to participate financially if they benefit from the regional transit system ("pay to play"); and

WHEREAS, funding contributions from participating communities should be equitable (each pay a "fair share" and/or make "equal effort" in funding); and

WHEREAS, the TWG finds that the Project Connect effort to plan, fund and operate a regional high-capacity transit system as a "Single System" provides a solid framework that should be further developed.

NOW THEREFORE BE IT RESOLVED, that the City of Leander, endorses the vision as outlined in the Project Connect process; and encourages the Central and North Corridor Studies project team and working groups to use the TWG Priorities and Recommendations to be outlined in the forthcoming System Plan to further evaluate and analyze the routes, alignments, modes, funding and organization; and

BE IT FURTHER RESOLVED that the Project Connect Final Report be submitted to the CAMPO Board of Directors and that the report's findings and recommendations be incorporated to the fullest extent possible in the CAMPO 2040 Plan, especially including projects identified for implementation under the anticipated initial funding availability, and

BE IT FURTHER RESOLVED that Project Connect should continue its efforts to inform area agencies, organizations and the public about the TWG's recommendations and Project Connect efforts on high-capacity transit for Central Texas.

AGENDA ITEM # 18

Executive Summary

September 5, 2013

Agenda Subject: First Reading of an Ordinance levying ad valorem taxes for the use and support of the municipal government of the City of Leander, Texas for FY 2013-14.

Background: The City Charter requires two readings for any ordinance levying taxes. The proposed tax rate is $0.66792 which is equal to the current rate. Since the recommended rate exceeds the effective rate of $0.663597, state law also requires that adoption of the tax rate ordinance be made by specific motion. *

Origination: Robert G. Powers, Finance Director

Financial Consideration:

Recommendation: * Approve the following motion "I move that the property tax rate be increased by the adoption of a tax rate of $0.66792 which is effectively a 0.65% increase in the tax rate."

Attachments: Ordinance Levying Ad Valorem Taxes

Prepared by: Robert G. Powers, Finance Director

ORDINANCE NO.

AN ORDINANCE LEVYING AD VALOREM TAXES FOR THE USE AND SUPPORT OF THE MUNICIPAL GOVERNMENT OF THE CITY OF LEANDER, TEXAS, FOR THE FISCAL YEAR 2013-2014; PROVIDING FOR AND APPORTIONING EACH LEVY FOR SPECIFIC PURPOSES; AND PROVIDING WHEN TAXES SHALL BECOME DUE AND WHEN THE SAME SHALL BECOME DELINQUENT IF NOT PAID.

WHEREAS, the City Council of the City of Leander, Texas, has approved the municipal budget for the fiscal year beginning October 1, 2013, and ending September 30, 2014; and

WHEREAS, it is necessary that an ordinance be passed levying an ad valorem tax on all property, both real and personal, within the corporate limits of the City of Leander, Texas in accordance with such budget and the Texas Tax Code.

NOW, THERFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS, THAT:

Section I. There is hereby levied and there shall be collected for the use, support and operation of the municipal government of the City of Leander and to provide an interest and sinking fund for the fiscal year, upon all property, real, personal and mixed, within the corporate limits of the City subject to taxation, a tax of $0.66792 for each $100.00 valuation of property, said tax being so levied and apportioned for the following specific purposes;

(a) For the current expenses, maintenance and operation of the general government (General Fund), $0.43142 on each $100.00 valuation for property, and

(b) For the interest and sinking fund, $0.23650 on each $100.00 valuation of property.

Section 2. Taxes levied under this ordinance shall be due October 1, 2013 and if not paid on or before January 31, 2014, shall immediately become delinquent.

Section 3. Taxes shall become a lien upon the property against which assessed, and the Travis County Tax Assessor/Collector within Travis County, and the Williamson County Tax Assessor/Collector within Williamson County, respectively, as the assessor and collector of taxes for the City of Leander, are hereby authorized and empowered to enforce the collection of such taxes, according to the Constitution and laws of the State of Texas and ordinances of the City, and shall, and, by virtue of the tax rolls, fix and establish a lien by levying upon such property whether real, personal or mixed for the payment of said taxes, penalty and interest. The penalty and interest collected from such delinquent taxes shall be apportioned between the General Fund and the Interest and Sinking Fund of the City of Leander. All delinquent taxes shall bear interest from date of delinquency at the rate prescribed by state law.

Section 4. That this ordinance shall take effect and be in full force from and after its passage.

PASSED AND APPROVED THIS THE 5th DAY OF SEPTEMBER, 2013 by the following motion "I move that the property tax rate be increased by the adoption of a tax rate of $0.66792 which is effectively a 0.65% increase in the tax rate." which was made by _____ and seconded by Council Member _____ to approve this ordinance having received ___ votes for; 0 against and 0 abstain, ___ absent.

EXHIBIT "B"

MUNICIPAL SERVICES PLAN FOR PROPERTY TO BE ANNEXED INTO THE CITY OF LEANDER

WHEREAS, the City of Leander, Texas (the "City") instituted and completed annexation proceedings for tracts of land described more fully hereinafter (referred to herein as the "subject properties");

WHEREAS, *Section 43.056, Loc. Gov't. Code*, requires a service plan be adopted with the annexation ordinance;

WHEREAS, the subject properties are not included in the municipal annexation plan and are exempt from the requirements thereof;

WHEREAS, the subject properties will be provided municipal services on the same terms and conditions as other similarly situated properties currently within the City limits and capital improvements necessary to offer such municipal services on the same terms and conditions as other similarly situated properties within the City and in accordance with City policies, regulations, and ordinances; and

WHEREAS, it is found that all statutory requirements have been satisfied and the City is authorized by *Chapt. 43, Loc. Gov't.Code*, to annex the subject properties into the City.

NOW, THEREFORE, the following services shall be provided to the subject properties on the effective date of annexation:

(1) **General Municipal Services.** The subject properties are located within the City's extraterritorial jurisdiction and are more particularly described in the Ordinance to which this service plan is attached. Pursuant to this Plan, the following services shall be provided immediately from the effective date of the annexation:

A. Police protection as follows:

Routine patrols of areas, radio response to calls for police service and all other police services now being offered to the citizens of the City.

B. Fire protection and Emergency Medical Services as follows:

Fire protection by the present personnel and equipment of the City fire fighting force and the volunteer fire fighting force with the limitations of water available.Radio response for Emergency Medical Services with the present personnel and equipment.

C. Solid waste collection services as follows:

Solid waste collection and services as now being offered to the citizens of the City.

D. Animal control as follows:

Service by present personnel, equipment and facilities or by contract with a third party, as provided within the City.

E. Maintenance of parks and playgrounds within the City.

F. Inspection services in conjunction with building permits and routine City code enforcement services by present personnel, equipment and facilities.

G. Maintenance of other City facilities, buildings and service.

H. Land use regulation as follows:

On the effective date of annexation, the regulatory jurisdiction of the City shall be extended to include the annexed area, and all property therein shall be subject to the City's police power regulations as set forth in duly adopted ordinances; provided that the use of all property therein shall be grandfathered to the extent provided by state law. The subject properties shall be temporarily zoned "SFR-1-B" with the intent to rezone the subject properties upon request of the landowner or staff. The Planning & Zoning Commission and the City Council will consider rezoning the subject properties at future times in response to requests submitted by the landowners or authorized city staff.

(2) **Scheduled Municipal Services.** Depending on the plans for development or redevelopment of the subject properties, the following municipal services will be provided on a schedule and at increasing levels of service as requested in compliance with applicable City ordinances, rules and regulations for providing such services:

A. Water service and maintenance of water facilities as follows:

(i) Inspection of water distribution lines as provided by statutes of the State of Texas.

(ii) In accordance with the applicable rules and regulations for the provision of water service, water service will be provided to the subjects properties, or applicable portions thereof, by the utility holding a water certificate of convenience and necessity ("CCN") for the subject properties, or portions thereof as applicable, or absent a water CCN, by the utility in whose jurisdiction the subject properties, or portions thereof as applicable, are located, in accordance with all the ordinances, regulations, and policies of the City in effect from time to time for the extension of water service. If connected to the City's water utility system, the subject properties' owner shall construct the internal water lines and pay the costs of line extension and construction of such facilities necessary to provide water service to the subject properties as required in City ordinances in effect at the time of the request and in conjunction with Chapter 395, Tex. Local Gov't. Code.Upon acceptance of the water

lines within the subject properties and any off-site improvements, water service will be provided by the City utility department on the same terms, conditions and requirements as are applied to all similarly situated areas and customers of the City; subject to all the ordinances, regulations and policies of the City in effect from time to time. The system will be accepted and maintained by the City in accordance with its usual acceptance and maintenance policies. New water line extensions will be installed and extended upon request under the same costs and terms as with other similarly situated customers of the City. The ordinances of the City in effect at the time a request for service is submitted shall govern the costs and request for service. The continued use of a preexisting water wellthat is in use on the effective date of the annexation and is in compliance with applicable rules and regulations shall be permitted and such use may continue until the subject property'sowner requests and is able to connect to a water service provider.

B. Wastewater service and maintenance of wastewater service as follows:

(i) Inspection of sewer lines as provided by statutes of the State of Texas.

(ii) In accordance with the applicable rules and regulations for the provision of wastewater service, wastewater service will be provided to the subjects properties, or applicable portions thereof, by the utility holding a wastewater CCN for the subject properties, or portions thereof as applicable, or absent a wastewater CCN, by the utility in whose jurisdiction the subject properties, or portions thereof as applicable, are located, in accordance with all the ordinances, regulations, and policies of the City in effect from time to time for the extension of wastewater service. If connected to the City's wastewater utility system, the subject properties' owner shall construct the internal wastewater lines and pay the costs of line extension and construction of facilities necessary to provide wastewater service to the subject properties as required in City ordinances in effect at the time of the request and in conjunction with Chapter 395, Tex. Local Gov't Code. Upon acceptance of the wastewater lines within the subject properties and any off-site improvements, wastewater service will be provided by the City utility department on the same terms, conditions and requirements as are applied to all similarly situated areas and customers of the City, subject to all the ordinances, regulations and policies of the City in effect from time to time. The wastewater system will be accepted and maintained by the City in accordance with its usual policies. Requests for new wastewater line extensions will be installed and extended upon request under the same costs and terms as with other similarly situated customers of the City. The ordinances of the City in effect at the time a request for service is submitted shall govern the costs and request for service.The continued use of a preexisting septic system that is in use on the effective date of the annexation and is in compliance with all applicable rules and regulations shall be permitted and such use may continue until the subject property'sowner requests and is able to connect to wastewater service.

C. Maintenance, as appropriate, of existing public streets and rights-of-way that are within the maintenance jurisdiction of the City and other streets that are hereafter constructed and finally accepted by the City within the maintenance jurisdiction of the City as follows:

(i) Emergency maintenance of streets, repair of hazardous potholes, measures necessary for traffic flow, etc.;

(ii) Routine maintenance as presently performed by the City;

(iii) Reconstruction and resurfacing of streets, installation of drainage facilities, construction of curbs, gutters and other such major improvements as the need therefore is determined by the governing body under City policies;

(iv) Installation and maintenance of traffic signals, traffic signs, street markings and other traffic control devices as the need therefore is established by appropriate study and traffic standards; and

(v) Installation and maintenance of street lighting in accordance with established policies of the City.

(3) **Capital Improvements.**Construction of the following capital improvements shall be initiated after the effective date of the annexation: Water and wastewater facilities that are identified in the Capital Improvement Plan, as and when funded pursuant to such Plan.Upon development of the subject properties or redevelopment, the landowners will be responsible for the development costs the same as a developer in a similarly situated area under the ordinances in effect at the time of development or redevelopment. No additional capital improvements are necessary at this time to service the subject properties the same as similarly situated properties.

(4) **Term.** If not previously expired, this service plan expires at the end of ten (10) years.

(5) **Property Description.**The legal descriptions of the subject properties are as set forth in exhibits attached to the Annexation Ordinance to which this Service Plan is attached.

AGENDA ITEM # 20

Executive Summary

September 05, 2013

Agenda Subject:	Consider action to approve an ordinance renaming CR 273, CR 271, and CR 179 as shown in Attachment #1; Leander, Williamson County Texas.
Background:	In order to provide consistency in street naming and addressing to improve service delivery and emergency services response times, the City attempts to designate continuous sections of roadways with a single name. Additionally, recently annexed areas with existing County roads are typically renamed as City streets after annexation. The roads under consideration in this agenda item fall in both categories and the renaming will provide for continuation of street names and rename County roads that have been annexed. Residents along the sections of roads proposed to be renamed were notified of the proposed name change and of the date and time of this meeting.
Origination:	Development Services Department
Financial Consideration:	The cost of replacing street signs will come from the Public Works Department budget.
Recommendation:	Staff recommends approval of the proposed name changes.

WHEREAS, street name designations provide for easier identification for City staff, citizens, and emergency services providers;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS, THAT:

Section 1. **Findings.** The foregoing recitals are hereby found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes as findings of fact.

Section 2. **Name Changes.** (1) The portion of CR 273 from East Crystal Falls Parkway to East South Street/RM 2243, is hereby renamed to Mel Mathis Boulevard. (2) The east/west portion of CR 271 extending from the junction of CR 271 and 183A Toll Road eastward approximately 1,850 feet to the approximately 90 degree bend to the right, is hereby renamed East Woodview Drive on the east side of the intersection with 183A Toll Roll and Woodview Drive on the west side of the intersection with 183A Toll. (3) The portion of CR 179 extending from Ronald W. Reagan Boulevard to CR 175, is hereby renamed Republic Trails Boulevard. These roadway name changes are more particularly shown and described in Exhibit "Attachment 1", attached hereto and incorporated herein for all purposes. In the event of a discrepancy between roadway name change descriptions, Exhibit "Attachment 1" shall control. The City Manager is hereby directed to take such actions as are reasonably necessary to ensure signs are posted reflecting the new name, to ensure emergency response personnel are notified, to modify the official maps of the City to reflect the name change and to ensure that all departments of the City requiring changes in addressing are duly notified and provided the necessary information to effectuate the change.

Section 3. **Effective Date.** This Ordinance shall be in force and effect from and after its passage on the date shown below.

PASSED AND APPROVED this the 5th day of September, 2013..

Dear Ms. Ellen Rizalate,

Re: Renaming of CR 273

Perhaps you will pass this on to someone who might be interested in my feelings about the road renaming.

Where I come from, a road had the same name for its entire length and could not change names at every intersection as it does in Austin area.

I'm sure Mr. Mathis was/is a very nice man and probably already has places and things named for him and would appreciate more schools and parks with his name on them.

The people who live on CR 273 might like a name that sounds more discriptive of the place they live. I believe Horizon Blvd. like the other end of the road would be more in keeping with where I'd like to say I live. Or Horizon Way, as it is not a Blvd.

I loved living in Leander and would still be there if I could. The house I have there is rented now but I believe the renters would even prefer "Horizon."

Keep on making Leander beautiful!

Respectfully,
Joyce Earley

ORDINANCE _____

AN ORDINANCE OF THE CITY OF LEANDER, TEXAS, ORDERING A SPECIAL ELECTION FOR TUESDAY, NOVEMBER 5, 2013, TO FILL A VACANCY IN PLACE 4 OF THE CITY COUNCILL; PROVIDING FOR THE CONDUCT OF THE ELECTION; AND PROVIDING FOR RELATED MATTERS

WHEREAS, a vacancy exists in Place 4 of the City Council of the City of Leander, Texas (the "City") by reason of the current office holder's resignation and announcement of candidacy for another office;

WHEREAS, the *Texas Constitution*, the *Texas Election Code*, and the *City Charter* are applicable to said election, and in order to comply with applicable laws, the vacancy must be filled by special election within 120 days of date of the vacancy;

WHEREAS, Tuesday, November 5, 2013, is a uniform election date that is within 120 days of the date of the vacancy;

WHEREAS, the City of Leander, Texas (hereinafter the "City") has made provision to contract with Williamson County to conduct the City's election for both Williamson and Travis County voters, pursuant to *Chapter 31, Texas Elections Code, and Chapter 791, Texas Government Code* (the "Election Agreement" or "contract"), and to hold joint elections with political subdivisions that hold elections on the same day in all or part of the same territory as authorized in *Chapter 271, Texas Elections Code;*

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LEANDER, TEXAS THAT:

Section 1. Special Election Ordered. A special election shall be held on November 5, 2013, to fill the unexpired term of Councilmember, Place 4, of the City Council of the City of Leander, Texas.

Section 2. Candidates' Filing Period. Candidates to fill the unexpired term of Councilmember, Place 4, shall file their applications no later than 5:00 p.m., September 23, 2013. All candidates for said office shall file their application to become candidates with the City Secretary, at City Hall, 200 W. Willis, Leander, Texas 78646. All applications for candidacy shall be on a form as prescribed by the *Texas Elections Code* and the City Charter. The order in which the names of the candidates for each office are to be printed on the ballot shall be determined by a drawing conducted by the City Secretary held at City Hall, at least 72 hours after the City Secretary posts notice of such drawing.

Section 3. Ballots. The ballots used for the general election shall comply with the *Texas Election Code* and be in the form provided by the City to the Williamson County Elections Administrator for use on the voting devices used by the Williamson County Elections Administrator.

Section 4. Printed Materials. The official ballots, together with such other election materials as are required by the *Texas Elections Code*, as amended, shall be printed in both the English and Spanish languages and shall contain such provisions, markings and language as required by law.

Section 5. Notice of Election. Notice of the election shall be given in the manner as provided in the *Texas Elections Code*. A notice containing a substantial copy of this ordinance shall be posted on the bulletin board used for posting notice of meetings of the governing body at City Hall and at the aforesaid polling place not later than the twenty-first (21st) day before the election, and by publishing said Notice of Election at least one time, not earlier than thirty (30) days nor later than ten (10) days prior to said election, in an English and Spanish newspaper in general circulation in the City. The Williamson County Elections Administrator is authorized and shall give all notices required for the election.

Section 6. Conduct of Election. The Williamson County Elections Administrator and his/her employees and appointees, and the election judges, alternate judges and clerks properly appointed for the election, shall hold and conduct the election for the entire City, including areas of the City located in Travis County, pursuant to the contract for election services between the City and the Williamson County Elections Administrator. The election shall be held and conducted by the Williamson County Elections Administrator in compliance with state law and the Election Agreement.

Section 7. Joint Election. The City agrees to conduct a joint election with other political subdivisions within Williamson County and Travis County, as appropriate, provided that such political subdivisions hold an election on November 5, 2013 in all or part of the same territory as the City (the "Political Subdivisions"). The joint election for Political Subdivisions in Williamson County and Travis County will be conducted in accordance with state law, this ordinance, and the Election Agreement.

Section 8 . Election Precincts and Election Day Polling Places. The election precincts for the election shall be the election precincts established by the Williamson County Elections Administrator, provided that each shall contain and include geographic area that is within the City. The polling place for each election precinct shall be the polling place established by the Williamson County Elections Administrator. The polls shall remain open on the day of the election from 7:00 a.m. to 7:00 p.m. The returns will be provided by precinct and the Williamson County Elections Administrator shall tabulate and provide the election returns for the election.

Section 9. Early Voting. Early voting, both by personal appearance and by mail, will be conducted by the Williamson County Elections Administrator, who is hereby designated and appointed as the Early Voting Clerk for the general election for City residents residing in Williamson and Travis County in accordance with the *Texas Election Code.*

Early voting shall commence on Monday, October 21, 2013, and continue through Friday, November 1, 2013 and early voting polls shall remain open for the time specified by the *Texas Election Code*. Early voting for City residents residing in Williamson County and Travis County shall also be held at any time and location authorized by the Williamson County Elections Administrator.

Section 10. Election Judges and Clerks. The presiding judges, alternate presiding judges and clerks for the election shall be selected and appointed by Williamson County in compliance with the requirements of state law, and are hereby designated and appointed election officers for the holding of said election. The presiding judges, alternate presiding judges and clerks shall perform the functions and duties of their respective positions that are provided by state law.

Section 11. City Secretary Assistance. The City Secretary is hereby authorized and instructed to aid the Williamson County Elections Administrators in the acquisition and furnishing of all election supplies and materials necessary to conduct the election. The City Secretary is further authorized to assist with the giving of notices required for the election, and to take such other and further action as is required to conduct the election in compliance with the *Texas Election Code*; provided that, pursuant to the Election Agreement, the Williamson County Elections Administrators shall have the duty and be responsible for organizing and conducting the election in compliance with the *Texas Election Code*; and for providing all services specified to be provided in the Election Agreement.

Section 12. General. The general election shall be held and conducted by the Williamson County Elections Administrators in compliance with the *Texas Election Code* and, to the extent not inconsistent therewith, the *City Charter*, and only resident qualified voters of the City shall be eligible to vote at the election. The Elections Administrator is hereby authorized and instructed to provide and furnish all necessary election supplies to conduct said election. Returns of the election shall be made known as soon as possible after the closing of the polls; and the election returns shall be canvassed by the City Council not earlier than November 13, 2013, nor later than November 18, 2013.

Section 13. Effective Date; Election Code. This ordinance shall be in full force and effect from and after its passage on the date shown below; provided that if any term or provision of this Ordinance conflicts with, or is inconsistent with, the *Texas Elections Code*, the *Texas Election Code* shall govern and control and the Williamson County Elections Administrator shall comply with the Texas Elections Code.

Section 14. **Open Meetings.** It is officially found and determined that the meeting at which this Ordinance is passed was open to the public as required and that public notice of the time, place, and purpose of said meeting was given as required *Chapter 551, Texas Government Code.*

PASSED AND APPROVED this the 5th day of September, 2013.

I began my work life at 14 years old. I have worked various jobs, with the most focus on Security and Management. I have started businesses from scratch with no experience in the field and led a path enabling the Entrepreneur to sell the business for profit. I have worked with Honors in the US Navy, Private Security Sector, and Correctional Field.

My wife became a paraplegic in 2002 and I managed to work another 2 years before deciding it had to be work or wife. I have been home caring for her since. I now have the ability to seek employment with flexible hours as a result of kids at home that have become older and trained in wife's care.

Dear City of Leander,

I am interested in becoming a member of the Mayor's Committee on People with Disabilities. I currently work for the Parent Training and Information Center for Texas at Partners Resource Network and would like to be more involved in the community to help people with disabilities improve their lives through promoting independence, community involvement, and continuing education.

I am also a parent of a child with a disability and live the life of advocacy every day. Through my involvement with other disability organizations and a recent meeting with Erin Lawler with the Governor's Committee on People with Disabilities, I know this is another great way to serve this population. I also have a background in process improvement that I feel would be an asset to this membership.

I have included my resume, application and copy of my voter's registration card.

I look forward to your decision and please contact me for any questions or additional information.

Sincerely,
Stacy Ford
