

**Construction Notes:**

1. Install 69 LF of 6' high Cedar Post Fence with 3 Rock Columns (both ends and midpoint) behind Sight Visibility Easement (surveyor will stake fence location)
2. Install 64 LF of 6' high Wood Fence with 4 ft gate (gate length included in 64 ft. fence measurement)
3. Remove existing fence panels and neatly stack in back yard for reuse by homeowner.
4. Resod disturbed areas.

**Attachment D - Fence Plan  
Proposed Changes - 1916 Honeybee Ln**

- 6' Cedar Post Fence with 3 Limestone Columns
- 6' Wood Fence with gate
